**The Department of English Language holds its Academic Symposium  
Online Learning and Teaching: Benefits, Drawbacks,  
and Recommendations**

*“Training developers need to integrate technology seamlessly into the curriculum instead of viewing it as add on, an after- thought, or an event”*

*Heidi Hayes Jacobs*

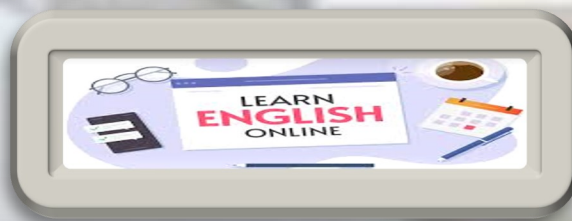

*Today, digital learning has emerged as a necessary resource for students and schools all over the world. For many educational institutes, this is an entirely new way of education that they have to adopt. Online learning is now applicable not just for academic study but it also extends to extracurricular activities for students as well. In recent months, the demand for online learning has risen significantly, and it will continue doing so in the future.*
