to merge a pdf file

The image shows a screenshot of the Merge PDF website. At the top, there is a navigation bar with a logo 'F' on the left, followed by menu items: 'MERGE PDF', 'SPLIT PDF', 'COMPRESS PDF', 'CONVERT PDF', and 'ALL PDF TOOLS'. On the right side of the navigation bar, there is a 'Log' button with a computer monitor icon. The main content area has a light gray background. The heading 'Merge PDF files' is centered, with the subtext 'Combine PDFs in the order you want with the easiest PDF merger available.' below it. A large yellow arrow with the word 'Click' inside it points to a red button labeled 'Select PDF files'. To the right of the button are two circular icons: the top one contains a white triangle pointing up, and the bottom one contains a white square with a downward-pointing arrow. Below the button, the text 'or drop PDFs here' is displayed.

to split a pdf file

The screenshot shows the 'Split PDF' tool interface on the I Love PDF website. At the top, the logo 'I ♥ PDF' is displayed in a red-bordered box. Below it is a navigation menu with 'Home', 'Merge PDF files', 'Split PDF', and 'Help'. The main heading is 'Split PDF', followed by a red 'Select PDF file' button. A file named 'Inbound Marketing.pd...' (3.83MB) is selected and shown in a white box with a red PDF icon and a close button. Under the 'Pages:' section, the 'Range' option is selected. It shows three ranges: 'From page n° 1 to page n° 40', 'From page n° 41 to page n° 80' with a 'remove range' button, and 'From page n° 81 to page n° 120' with a 'remove range' button and a '+ another range' button. The 'Unique' option is also present, with 'Only extract page n° 1'. At the bottom, there is a 'Guidingtech.com' watermark and a 'SPLIT PDF!' button with PDF icons and arrows.
